CALCULATING YOUR ADDITIONAL TRADE SPACE REQUIREMENTS AT RANDOX ANTRIM SHOW

For Indoor Craft Market, Artisan Food Village and Health & Wellbeing Marquee, the size allocated is approx. 3m frontage x 3m depth. If you require a larger space you can double the frontage to 6m by booking multiple adjacent stands. The price will also multiply in accordance with the size of stand required.

For Outdoor Trade - Non Food Space, the cost of your trade space can be calculated by amending the size of your frontage and multiplying up. Example, if you require between 6m and 10m frontage, multiply your space by 2 (£150 x 2 = £300). For larger pitches, contact Show Secretary directly.
